Internal Audit Report: Privileged Access and Related-Party Exposure Review

Document ID: DCB-IA-2026-06 | Version: Final | Status: Current

Effective date: 2026-07-30

Classification: Board-Restricted | Owner: Internal Audit

1. Scope

Review of privileged system access in treasury operations and credit exposures to entities related to directors. Distribution limited to the Audit Committee and Head of Internal Audit.

2. Key Findings

F1: Seven privileged accounts in treasury operations had not been reviewed for 14 months. F2: Two credit facilities to entities with a common director were not reported to the Audit Committee within the required period. Names of the entities are recorded in Annexure A (not included in this extract).

3. Ratings

F1: High. F2: High.
