Record Retention Policy

Document ID: DCB-POL-RET | Version: 2.0 | Status: Current

Effective date: 2026-01-01

Classification: Internal | Owner: Operations

1. Customer and Transaction Records

Customer identification records and transaction records are retained for at least 5 years after the business relationship ends or the transaction date, whichever is later.

2. Investigation Case Files

Investigation case files, including those relating to STRs, are retained for 8 years from case closure.

3. Legal Hold

Records subject to legal, regulatory or investigative hold are retained until the hold is released, regardless of the periods above.
